Dear Potential Sponsor:

Philadelphia Blind Hockey is thriving as they enter their 2nd season as a non-profit organization providing the opportunity to those with visual impairments with the chance to learn and play hockey. Founded in 2022, our program is an adaptive learn to skate program, who has helped players learn self-confidence, spatial awareness and social adjustments through the sport of hockey.

Philadelphia Blind Hockey is an all-volunteer organization providing direct service to the blind community; 100% of all money raised benefits our athletes. Our program is also completely free to our participants, from the age of 4 to adult.

It is only with the support of generous donors like you that we can continue to fulfill our mission to provide recreational and social opportunities to the blind community in Philadelphia and surrounding areas. This season we are offering three sponsorship levels: Hat Trick Club (\$200 & above), Orange & Black Club (\$100) and the White Cane Club (\$50). All sponsorship levels will be recognized on our tournament t-shirts that will be given to the participants and sold at our 1st Annual 3:3 Blindness Awareness Tournament being held on October 26th at Hatfield Ice in Colmar, PA. The Hat Trick and Orange/Black Club sponsorship levels will have their name/organization/logo displayed on our website.

On behalf of the players and coaches of Philadelphia Blind Hockey, we thank you. We truly appreciate your contribution and dedication to the success of the Philadelphia Blind Hockey. If you have any questions, please contact us at philblindhockey.fundraising@gmail.com.

Sincerely,

PHILADELPHIA BLIND HOCKEY
